

Northern Chapter H. O. G.

Business Meeting

4/2/10

Lew Kirchner called the business meeting to order at 7:40 pm.

Old Business – Father Fred discussion on continuing to give prizes for poker run winners. Paul Jarboe thought we should continue as usual. Kris will apply for insurance for the event. Pins will be the same as last year, just a different background color. T-shirts: reduce the amount ordered from last year and delete the year from the design. Pins: order less than last year and state on the entrance form that the 1<sup>st</sup> 700 will receive pins. No ordering more for those that don't get one if we get more than 700 participants.

State Park challenge patch design: Jim Wrede hadn't received any news back from his students. He will look into it further. Eric Denoyer wasn't present, so no update on the pool tournament patch and the other things he was checking on.

Progressive dinner scheduled for Sunday 6/13, still need a dinner spot volunteer.

Kris Fisher would like to come up with a patch about crossing the Mackinaw Bridge and maybe sell them at the state rally in August.

Next H.O.G. magazine article will feature Paul Jarboe and Mike Zimmerman on their ride down the Ohio River.

Steve P. will put the calendar of events on the website.

Meeting adjourned at 8:00 pm.
